Welcome to Dethleffs.

You can access **detailed information** on our trade fair promotions and exhibition vehicles directly at our info terminals!

Digital services: for your convenience – for the environment!

We live in a digital world. Which is why we are continuously expanding our range of digital services for your convenience. You can now download all Dethleffs sales documents to your computer or mobile device quickly and easily. This saves paper, saves you time and is also good for the environment. See the following page for the fastest way to access our digital content.

We hope your day at the fair is stimulating and that you enjoy your visit to the Dethleffs stand!

Warm regards
Your Dethleffs team

How to access information about the Dethleffs model year 2024:

Simply enter the URL listed below in your browser or scan the QR code directly using your mobile phone's camera, then download the stored document and save it on your device.

Additional information and interactive content such as videos, animations and the like can be found on the Dethleffs homepage: www.dethleffs.com or via the URLs for the respective vehicle categories listed below.

Globetrail Classic

Dethleffs' many years of experience in building leisure vehicles is clearly reflected in the Globetrail Classic. In terms of quality, ambience and sophisticated solutions it is streets ahead of other camper vans. An attractive price-performance ratio and a wide range of different vehicle concepts – from compact to spacious – are the icing on the cake, making the Globetrail the perfect choice for camper van enthusiasts and newcomers alike.

Highlights

- + Entry-level vehicles at a particularly attractive price
- + Sophisticated layouts with practical functionality thanks to our many years of experience in camper van construction
- + Pop-up roof with two additional berths (option)
- + Practical rear shelf to store essential equipment
- + Practical lashing rings let you safely transport bicycles and larger items.
- + Continuous overhead lockers (including in the rear) provide extra storage space

The table can be swung outwards to seat up to four people. If desired, the seating lounge can be converted into another berth.

Globetrail Advantage

Design, equipment, unique functionality! The Globetrail Advantage takes all the features of the Classic and adds outstanding comfort and exceptional ideas – from the super-trendy interior design to the unique pull-out system in the rear garage. Flush fitting windows, an awning, alloy wheels and much more are all standard equipment. Even a large panoramic window above the cab is available as an optional.

Geht das?!

Highlights

- + Excellent equipment
- + Harmonious Dethleffs design. Choice of two different interior variants
- + The innovative rear pull-out provides practical storage space for essential equipment. So you can be sure that access ramps, cable drums, etc. are immediately to hand on arrival.
- + A front extension with a large panoramic window above the cab is optionally available
- + Ambient lighting on the overhead lockers and in the kitchen area creates a pleasant ambience throughout the vehicle

The bright SCANDI interior with white overhead locker doors is available as an option for the Advantage Line. The KOS furniture decor in warm wood tones is fitted as standard.

Globebus > A Class

The most compact motorhome range from Dethleffs offers the kind of effortless yet dynamic driving you would normally expect from a van! Ideal for city trips and mountain roads. Despite its compact dimensions, the Globebus gives you all the benefits of a full-sized motorhome, such as excellent insulation, plenty of elbow room and both a kitchen and a bathroom. Our Gran Turismo Package is perfect for anyone who appreciates strikingly sporty details.

Highlights

- + The van among motorhomes! With safe, agile handling thanks to a width of only 220 cm
- + First-class insulation for the superstructure. Fully winterproof on request
- + Large L-shaped seating lounge with comfortable, ergonomically contoured cushions
- + Fully equipped kitchen with gas cooker, large fridge and sturdy countertop extension
- + Full bathroom with shower
- + Exclusive Gran Turismo Package (optional)

www.dethleffs.co.uk/globebus

The large L-shaped seating lounge with free-standing table is included as standard.

The practical single beds can be quickly converted into a large sleeping area.

www.dethleffs.co.uk/globebusgo

Globebus Go > Low Profile

Your next adventure is waiting – around the next bend in the road! The new Globebus Go is so compact and manoeuvrable that even narrow roads and low passageways are no obstacle. This opens up a new dimension of travel and leisure experiences. At the same time, it is amazingly spacious on the inside, with plenty of elbow room, loads of storage space, a smart swivel bathroom and generously sized beds. By the way: if desired, the Globebus Go can also be upgraded to make it a real winter specialist!

Highlights

- + Van-like dimensions with a width of only 220 cm and an overall length from just 599 cm
- + Excellent insulation
- + Large beds with high-quality, 150 mm-thick cold foam mattresses
- + Electrically operated compressor fridge with perfect cooling performance
- + Diesel heater (6 kW) with integrated 10-litre warm water boiler
- + The optional Winter Comfort Package is available for fans of winter camping

Compact on the outside, spacious on the inside. Plenty of elbow room despite an external width of only 220 cm!

www.dethleffs.co.uk/justcamp

Just Camp > Low Profile

Some decisions are easy. Such as whether to buy the new Just Camp! With its trendy new design, practical equipment and many fresh ideas, your first step into the world of motorhomes has never been easier. And with seven different layouts to choose from, you're certain to find one that meets your personal camping requirements. The new Just Camp is available on a Citroën Jumper or Opel Movano chassis.

Highlights

- + High level of comfort when sleeping thanks to 150 mm-thick 7-zone cold foam mattresses made of climate-regulating material and ergonomic wooden slatted bed frames
- + Optionally available pull-down bed
- + Airy 213 cm interior headroom (not under the pull-down bed)
- + 70 cm-wide habitation door – optionally with window, fly-screen door and central locking system
- + Single beds can be converted into a large sleeping area
- + Height-adjustable 190 x 150 cm queen bed (depending on the model)

The large L-shaped seating lounge with free-standing table provides additional comfort. Just put your feet up and relax!

www.dethleffs.co.uk/justgo

Just Go > Low Profile

Just ready to go: with its generous standard equipment, our anniversary model is especially appealing – especially to newcomers to the world of motorhoming. In addition to the extensive Anniversary Package, which includes a wide habitation door and dynamic T-hood with tilting panoramic window, this compact low-profile motorhome impresses with its fresh, youthful interior. As standard, all models are equipped with a 140 hp (102 kW) engine.

Highlights

- + Airy 213 cm interior headroom (not under the pull-down bed)
- + Optionally available pull-down bed
- + Height-adjustable 190 x 150 cm queen bed (T 7055 DBL)
- + 150 mm-thick 7-zone cold foam mattresses made of climate-regulating material
- + Ergonomic captain seats with integrated headrest and padded armrests, height-adjustable and inclinable
- + 70 cm-wide habitation door with fly screen

The atmospheric Light Moments lighting system creates a homely ambience inside the vehicle.

www.dethleffs.co.uk/alpa-and-alpa-xl

Plenty of space is on offer near the large kitchen unit and in the huge U-shaped seating lounge!

Your daily spa with an abundance of daylight and outstanding comfort.

Alpa > A Class & Coachbuilt

The perfect motorhome for adventurous couples. Thanks to a generous amount of space, a huge U-shaped seating lounge and comfortable overcab single beds or a pull-down bed, this motorhome is ideal for couples who want to travel in comfort. Even icy temperatures will scarcely be noticed – this vehicle is completely winterproof thanks to the heated double floor and frost-protected water system.

Highlights

- + Huge panoramic U-shaped seating lounge with plenty of space to enjoy meals and relax
- + Winterproof: heated double floor with frost-protected water system
- + Large, spacious rear garage with access from both sides and one-hand operation.
- + Hot-water heating is included as standard
- + Large bathroom and dressing area

www.dethleffs.co.uk/xli

Globetrotter XL > A Class

This premium lifestyle motorhome combines spacious living and a modern design with authentic driving dynamics. The premium broad-gauge low-frame chassis delivers real driving pleasure and accentuates the vehicle's sporty design. The Globetrotter XL I promises and delivers an enjoyable driving experience: sporty, dynamic and safe – and thanks to the winterproof double floor construction, you can hit the road 365 days a year.

Highlights

- + Dynamic and safe handling is ensured by the premium broad gauge low-frame chassis
- + Winterproof: heated double floor with frost-protected water system and hot-water heating as standard
- + Dethleffs Connect – digital control unit for networking of all vehicle systems, with control via digital display or dedicated app
- + Ergonomic captain seats, optionally available as hydraulic seats with heating and ventilation
- + Lifetime Plus body construction with rot-proof and durable wall structure

An interior design in a class all of its own. On request, available with elaborately tailored genuine leather upholstery.

www.dethleffs.co.uk/globetrotter-xxl-a

Globetrotter XXL

> Coachbuilt

Unlimited luxury! With its robust Iveco Daily chassis with rear-wheel drive, the Globetrotter XXL A is the workhorse of the Dethleffs model range. Ideal for towing trailers weighing up to 3.5 tonnes. Perfectly equipped, with plenty of room and completely winterproof – thanks to the frost-proof installation inside the double floor!

Highlights

- + Powerful 3.0 I JTD engine with 154 kW/210 hp and automatic transmission with torque converter. Rear-wheel drive and twin axle ensure excellent traction
- + Luxury captain seats with seat heating, hydraulic suspension, 3-way adjustment
- + Frost-proof, heated double floor. The radiant heat also serves as effective floor heating
- + Warm-water heating with heat exchanger for engine pre-heating
- + Long-lasting Lifetime Plus technology with 44 mm-thick wall structure

Even more living space is on offer in the spacious XXL A. The large 32-inch TV (option) can be lowered as required.
